RC společnost s r. o.
přístroje pro vědu a vzdělání

www.rcdidactic.cz / info@rcdidactic.cz

First name and surname:

E-mail address:

Name and address of the school / institution / company:

Enquired products:

Name and code of the product	Pcs	Name and code of the product	Pcs
Measuring Unit (code: 101-ADDU)	<input type="text"/>	Thyristor (code: 127-THYR)	<input type="text"/>
Function Generator (code: 106-FUGE)	<input type="text"/>	Wheatstone Bridge (code: 136-WHBR)	<input type="text"/>
Programmable DC Supply (code: 107-PDCS)	<input type="text"/>	Resistor Decade 1 (20-1019 Ohm) (code: 109-R1DE)	<input type="text"/>
Voltmeter DC & AC RMS (code: 108-VDAR)	<input type="text"/>	Resistor Decade 2 (1-999 kOhm) (code: 110-R2DE)	<input type="text"/>
3-Phase System (code: 126-3PHS)	<input type="text"/>	Capacitor Decade (code: 111-CDEC)	<input type="text"/>
Component Board (code: 115-COBO)	<input type="text"/>	Capacitor Set (code: 112-CSET)	<input type="text"/>
Switchboard (code: 903-SWBO)	<input type="text"/>	Inductor (code: 113-LSET)	<input type="text"/>
Operational Amplifier (code: 116-OPAM)	<input type="text"/>	Transformer (code: 128-TRFO)	<input type="text"/>
Instrumentation Amplifier (code: 906-INAM)	<input type="text"/>	Motor - Generator Set (code: 102-MOGE)	<input type="text"/>
Buffer (code: 117-BUFF)	<input type="text"/>	PID Controller (code: 105-RPID)	<input type="text"/>
Transistor Bipolar NPN (code: 114-TRBN)	<input type="text"/>	Difference Module (code: 104-RDIF)	<input type="text"/>
Transistor Bipolar PNP (code: 130-TRBP)	<input type="text"/>	Delay Elements (code: 103-RDEL)	<input type="text"/>
Transistor Unipolar JFET-N (code: 131-TRJN)	<input type="text"/>		

Name and code of the product	Pcs	Name and code of the product	Pcs
Time Base (code: 120-TIBA)	<input type="text"/>	Module Board 1 (code: 122-MOB1)	<input type="text"/>
Logic Selector (code: 119-LOSE)	<input type="text"/>	Module Board 2 (code: 129-MOB2)	<input type="text"/>
Logic Probe (code: 118-LOPR)	<input type="text"/>	Power Supply +5V (code: 801-Z05V)	<input type="text"/>
Universal Module 74xxx (code: 121-UNDI)	<input type="text"/>	Power Supply +24V (code: 802-Z24V)	<input type="text"/>
Set of 12 cards for univ. module 74xxx (code: 505-SUD1)	<input type="text"/>	Cable Set 1 (55pcs) (code: 503-SCA1)	<input type="text"/>
Set of 24 cards for univ. module 74xxx (code: 506-SUD2)	<input type="text"/>	Cable Set 2 (60pcs) (code: 511-SCA2)	<input type="text"/>
Socket Module 1x16 (code: 123-BO16)	<input type="text"/>	Component Set 1 (60pcs) (code: 504-SCO1)	<input type="text"/>
Socket Module 1x40 (code: 124-BO40)	<input type="text"/>	Component Set 2 (75pcs) (code: 512-SCO2)	<input type="text"/>
		Software rc2000 (code: 701-SWRC)	<input type="text"/>

Notes / Special requests

After filling the form, save it and send as a classical e-mail attachment to:

info@rcdidactic.cz

We shall send the price offer to your e-mail address in a short time.

Thank you!
